A. OLD BUSINESS

**1. KIMBROUGH FINE WINE & SPIRITS
MEMPHIS, TENNESSEE**

Applicant: Affluere Investments Inc.
Member(s): Doug Ketchum, 50%
Mary Ketchum, 50%

Current: Kimbrough Towers Wine and Spirits, LLC (Roy Patterson and Kathleen Z. Patterson) d/b/a Kimbrough Towers Wine and Spirits (license no. 3449)

Proposed: Affluere Investments Inc. d/b/a Kimbrough Fine Wine & Spirits

Before the Commission is a request for approval for a complete transfer of ownership of the retail package store located at 1483 Union Avenue, Memphis, TN 38104. Applicant is purchasing the business from the current owner and will lease the premises from landlord, Northland Kimbrough, LLC. The Commission continued this matter until the resolution of the declaratory judgment action filed on September 21, 2016. On April 14, 2017, the court declared the residency requirements under Tenn. Code Ann. § 57-3-204 unconstitutional and enjoined the Commission from enforcing the residency requirements. As a result, staff recommends conditional approval of this application, subject to receipt of the following:

- a. TABC inspection
- b. acknowledgment of TABC rules & regulations
- c. license fee

Discussion/Action Taken: Director Byrd reviewed the matter to the Commission and recommended conditional approval of the application, subject to receiving a TABC inspection, acknowledgment of TABC rules & regulations, and the license fee. Attorney, Kurt Winstead, addressed the Commission on behalf of the Tennessee Wine and Spirits Retailer's Association and Attorney, Keith Dennen, addressed the Commission on behalf of the applicant.

When addressing the Commission, Mr. Winstead noted that this was a "practical argument," not a legal argument. Mr. Winstead commented that the Association is appealing the ruling and asked the Commission to use its discretion to wait until the appeal had run its course before taking action. Mr. Winstead asked the Commission to use its discretion to continue to hold any out of state applications. Mr. Winstead commented that it could be in an out-of-state applicant's interest to hold off on obtaining a license in the event ruling was reversed.

Mr. Winstead commented that it was his opinion that the Commission had the discretion not to act.

Director Byrd disagreed; he commented that the Commission, per order of the Court, would be unable to consider residency, and if the basis for not-acting is on the basis of the residency issue, it was his opinion then that the failure to act would be based upon a statute that the court had enjoined the Commission from considering.

Attorney Keith Dennen addressed the Commission and noted that the Ketchum's have moved their residence to Tennessee and that the Ketchum's are prepared to move forward with obtaining the license. Mr. Dennen noted that the applicant has been waiting since June of 2016 and have a seller waiting. Mr. Dennen commented that he had advised the Ketchum's of the risk and they understand the risk.

Mr. Winstead commented that the Association was not asking the Commission to consider residency but only asking the Commission consider that the matter is still

in litigation and the practical effect of issuing a license to an out of state applicant is the ruling is reversed.

Director Byrd commented that he did not believe the Commission did have room for discretion being that the residency issue was the only impediment to licensure. Director Byrd noted that the applicant confirmed that the materials in the application were currently valid. Director Byrd recommended that the application be conditionally approved subject to the inspection, acknowledgment of rules and regulations, and the license fee.

Chairman Jones commented that he respected the opinion authority of the federal court to have taken the action that it has. Chairman Jones motioned for approval of the application, subject to receipt of inspection, acknowledgment of rules and regulations, and the license fee. Commissioner Skiles seconded the motion. The motion for conditional approval passed with two ayes. **Update: license no. 4139 issued 4/27/2017**
