# Immunizing Pharmacists

---

**Note:** Use the online tool to find the pharmacy associated with any of the listed pharmacists.

You have two network options for obtaining covered immunizations and vaccines at a pharmacy:

- › BlueCross BlueShield of Tennessee
- › CVS Caremark

## BlueCross BlueShield of Tennessee

BlueCross' Immunizing Pharmacists network includes pharmacists certified to give shots. These pharmacists will give the shot and send us the bill for the service.

**To find an up-to-date listing of immunizing pharmacists in Network P:**

- › Call us at **1-800-558-6213**.
- › Visit **bcbst.com/tn\_state** and log in. Choose **Get Care**, then **Find a Doctor**. You can search for providers by name, specialty or procedure. You can also browse providers by category.
- › Download the **BCBSTN<sup>SM</sup>** app on your smartphone from the Apple<sup>®</sup> App Store or Google Play<sup>®</sup>, then enter the information from your BlueCross BlueShield of Tennessee Member ID card.

## CVS Caremark\*

Visit a participating vaccine network pharmacy and present your Caremark prescription card. A complete vaccine network pharmacy list is available once you log in at **info.caremark.com/stateoftn** (scroll down the page and look under the Network Lists heading). You may also call **1-877-522-8679** and speak to a CVS Caremark representative who can direct you to a vaccine network pharmacy. Please note, this pharmacy list is different from the 30- and 90-day networks. Not all pharmacies participate in the vaccine network.

## Remember

You can also visit your regular doctor or convenience clinic and present your medical card. Call us at **1-800-558-6213** to find a participating doctor or clinic. There's no copay.

Both options give you and your covered dependents covered vaccinations for free.

- \* Pharmacy benefits are managed by CVS Caremark. Please contact CVS Caremark at **1-877-522-8679** for pharmacy-related questions and coverage information.

# Urgent Care Centers

(Listed alphabetically by county.)

Specialties are listed alphabetically under each county.)

---

You can go to an urgent care center if you need health care at night or on weekends. Urgent care is care that's important, but not life-threatening.

## **Urgent care situations include:**

- › Hard time breathing
- › Nose bleed that lasts for a long time
- › Short-term high fever
- › Cuts needing stitches
- › Strains, sprains and fractures

## Remember

A provider's status may change at any time. This list is as correct as possible at the time of publication. Please keep in mind you won't be able to change your enrollment mid-year if there are changes to your network.

## **To make sure a doctor or facility is in Network P:**

- › Call us at **1-800-558-6213**.
- › Visit **bcbst.com/tn\_state** and log in. Choose **Get Care**, then **Find a Doctor**. You can search for providers by name, specialty or procedure. You can also browse providers by category.
- › Download the **BCBSTN<sup>SM</sup>** app on your smartphone from the Apple<sup>®</sup> App Store or Google Play<sup>®</sup>, then enter the information from your BlueCross BlueShield of Tennessee Member ID card.

# Retail Convenient Care Clinics

---

Some Network P pharmacies have health clinics you can go to when your doctor isn't available or it's after business hours. These clinics are quick and conveniently located, and they're less expensive than a hospital ER.

These clinics are usually staffed by nurse practitioners and physicians' assistants. They give fast care for common conditions like sinus infections, sore throats, urinary tract infections and minor illnesses or injuries.

## Remember

A provider's status may change at any time. This list is as correct as possible at the time of publication. Please keep in mind you won't be able to change your enrollment mid-year if there are changes to your network.

### **To make sure a doctor or facility is in Network P:**

- › Visit **[bcbst.com/tn\\_state](https://www.bcbst.com/tn_state)** and log in. Choose **Get Care**, then **Find a Doctor**. You can search for providers by name, specialty or procedure. You can also browse providers by category.
- › Download the **BCBSTN<sup>SM</sup>** app on your smartphone from the Apple<sup>®</sup> App Store or Google Play<sup>®</sup>, then enter the information from your BlueCross BlueShield of Tennessee Member ID card.
