

School Board Training Course Provider 2024 Application

As outlined in <u>State Board Rule 0520-01-02-.11</u>, prospective training course providers must submit an application for approval to the TN State Board of Education's (State Board) School Board Training Advisory Committee (Advisory Committee) by **February 15**, **2024** for courses that will be offered beginning July 1, 2024. The Advisory Committee shall evaluate training provider course applications and make recommendations to the State Board for approval.

This application is developed for those interested in providing training courses to elected members of a local school board of education only. Applications to provide training to members of a charter school governing board shall complete a separate process. To learn more about the application process for providing training courses to charter school governing board members, please visit the State Board's website.

Prospective school board training course providers must complete Sections I and II of the application and submit requested course materials for the application to be considered complete. If the prospective training course provider is proposing more than one (1) training course for approval, Section II must be filled out separately for each proposed training course.¹

Completed applications and supporting materials shall be submitted to Ali Reid, Director of Engagement and Accountability, at ali.reid@tn.gov. The Advisory Committee may provide initial feedback and request additional information from applicants prior to finalizing their recommendation to the State Board. The State Board shall vote to approve all school board training courses at their second quarterly meeting.

If recommended for approval by the Advisory Committee and approved by the State Board, courses are valid for three (3) years, unless the provider or the State Board indicates the course is proposed for a shorter period.

School Board Training Course Provider 2024 Application Rubric

Application Scoring

Completed applications shall be scored using the rubric criteria outlined below, which is aligned to the requirements set forth in <u>State Board Rule 0520-01-02-.11</u>. Only applications which fully meet the standard of the rubric shall be recommended by the Advisory Committee for approval to the State Board. The overall scoring indicators are as follows:

Fully Meets the Standard	The response is thorough, does not require any revisions, and clearly meets all the criteria stated in the rubric, in alignment with State Board rule.
Partially Meets the Standard	The response meets some of the criteria but not all and/or requires additional information in one or more areas of the application.
Does Not Meet the Standard	The response is incomplete, does not align with the criteria stated in the rubric, or otherwise raises concerns about the provider's ability to meet the requirements in rule.

Application Rubric Criteria

- The prospective course provider submitted a completed application by the required deadline.
- The prospective course provider has relevant experience in providing school board member trainings and/or the prospective course provider's instructor(s) have, at a minimum, relevant experience with the topic(s) covered by the course, working with school boards, or as a training course instructor.
- The length of the proposed training course is adequate given the amount of content covered by the course.
- The proposed training course content is appropriate for the intended audience.
- For prospective course providers proposing to offer an orientation training course for new board members, the course covers, at a minimum, all the required topics and hours as outlined in State Board rule.
- The application includes a detailed description of the instructional strategies, activities and presentation materials which are aligned to the proposed training course topic(s) and demonstrates that the training course covers the topic(s) with sufficient depth to allow local board members to obtain a deeper understanding of the topic(s).
- If a fee is being charged, the application includes an explanation of the fee.
- The proposed course includes an effective method for evaluating the participant's achievement of the stated learning objectives and the course provider's effectiveness.
- If the prospective course provider is an LEA, and the application includes a statement of whether
 the proposed course is restricted to members of the LEA or open to any local board member
 interested in participating in the training course.
- The prospective course provider includes an effective method(s) for tracking local board member completion of the course and for reporting all course completers to the Department of Education in compliance with State Board rule 0520-01-02-.11.
