

Get Low Challenge (Advanced)

The goal is to complete the specified number of squats and lunges each day. You can do these all at once or spread them out throughout the day. You can also use weights to make it more challenging.

See the [provided handout on how to properly perform a squat and lunge](#). **Be sure to choose the best modification that meets YOUR current fitness level.**

Keep each other motivated. Share your photos with us on social media. Tag us on [Facebook](#) or [Instagram](#).
