

# Virtual Scavenger Hunt

## Office Edition

**Focus Area:** Physical Activity

**Description:** Employees will attempt to 'beat the clock' to find specific items around their workspace.

**Category:** Groups

**Length of Activity:** Varies depending on number of items

**In-person or Virtual:** Virtual

**Materials Needed:**

- Paper and pen to keep track of the Scavenger Hunt items you find

**Directions:**

- Turn on your webcam. 😊
- The host will name one item at a time.
- You'll have 20 seconds to find and show the group your item!
- Keep track of how many items you find.
- The participant with the most items found, wins!

**Items to find:**

- |                                     |  |
|-------------------------------------|--|
